2 The Work and execution of Work

- 2.1 The Work shall be carried out in accordance with the Contract, the provisions of these General Terms and Conditions, the DNV GL Rules, the international conventions and/or EU regulations applicable to the relevant Work and/or flag administration requirements. The same shall apply in the absence of a written agreement between the parties. The Work performed by DNV GL is performed under the basic assumption that other parties involved, including but not limited to the Customer’s other contractors and suppliers, fulfil their individual obligations and provide correct and complete information. DNV GL shall, upon completion of the relevant certification process and the Work, but subject to any relevant findings from its assessment or inspections, issue the Deliverable, provided always that DNV GL in its sole professional discretion finds that the applicable requirements are fulfilled.
 - 2.2 When providing services DNV GL does not assess compliance with any standard other than the applicable DNV GL Rules, international conventions, EU Regulations and/or flag administration requirements and other standards, to the extent agreed in writing.
 - 2.3 Any terms, conditions, duties or warranties otherwise incorporated or implied by law are hereby expressly excluded in full or to the fullest extent permitted by the applicable law. The remedies set forth in Clause 6 shall therefore be the sole remedies for any discrepancies, errors or omissions whatsoever regarding the Work.
 - 2.4 DNV GL will provide suitably qualified personnel to carry out the Work. Unless otherwise agreed, DNV GL may at any time substitute personnel assigned to the Work, provided that any replacement personnel are suitably qualified.
 - 2.5 A confirmation given or certificate issued by DNV GL shall not substitute the role of and/or release the Customer Group or any other parties involved from its contractual or legal obligations towards any third parties and/or the Customer (as the case may be). Maintenance of the validity of such confirmation or certificate, for example through the process of regular surveys in the case of ship classification, is the responsibility of the Customer.
 - 2.6 DNV GL may, without prejudice to any other rights available to DNV GL, at any time recall, suspend, withhold, withdraw and/or reissue any Deliverable with immediate effect, suspend or withdraw any vessel from class and/or suspend further performance of any services if in DNV GL’s sole and unfettered opinion: (i) Customer fails to provide any necessary information or documentation for the purpose of maintaining the Deliverable and/or class; or (ii) Customer fails to comply in due time with conditions or instructions issued by DNV GL; or (iii) Customer fails to pay any fees or other sums due to DNV GL; or (iv) any relevant discrepancies, errors or omissions in the basis for the Deliverable is detected; or (v) Customer misrepresents DNV GL’s business name, trademark or Deliverable on which such name or trademark is used.
 - 2.7 DNV GL may retain or withhold any service, certificate or other deliverable to the Customer in respect of all outstanding payments (whether related or not) arising out of the entire business relationship with the Customer, regardless of whether one or more vessels owned or managed by the Customer are affected.
- ### 3 General Obligations
- 3.1 Customer agrees that DNV GL’s performance of the Work requires DNV GL to be granted access to and the right to

inspect all relevant sites, equipment, machinery and facilities and all relevant, correct and complete documents and information. For this purpose, Customer shall in a timely manner, without conditions, make all necessary arrangements and provide DNV GL with all reasonably necessary access to the above mentioned information and sites. Unless it is explicitly agreed as part of the Work to identify discrepancies, errors, inconsistencies or omissions in the information provided by the Customer Group, Customer shall be responsible for the correctness of the information it provides and DNV GL is entitled to rely on the accuracy and completeness of such information for the performance of the Work.

All Deliverables provided by DNV GL are based on the information, documentation and/or physical items made available by Customer to DNV GL up to the date of issuance of the Deliverable, and Customer acknowledges and agrees that any statement made by DNV GL in the Deliverable is a statement reflecting the situation at the time of issuance only.

- 3.2 Should the Customer fail to provide DNV GL with the required access or information at the agreed times, DNV GL may suspend the performance of the Work pending receipt of the Customer's instructions for access and/or necessary information. DNV GL shall have no liability as a consequence of any such suspension and the Customer will be responsible for DNV GL's fees and other wasted costs and expenses incurred by DNV GL.
- 3.3 Customer acknowledges and agrees that it has read and understood the requirements in the applicable DNV GL Rules, international conventions, EU Regulations and/or flag administration requirements and other standards applicable to the Contract and agrees to abide by them.
- 3.4 Any failure by Customer in fulfilling the obligations set out in this Section 3 is to be considered a material breach of this Contract.

4 Health, Safety and Environment (HSE)

- 4.1 Both DNV GL and the Customer shall employ reasonable standards for promoting safety, health and environmental protection and for ensuring safe working environments for their personnel.
- 4.2 Customer shall inform DNV GL without undue delay of: (i) any actual or potential HSE risk which Customer is aware of and which is reasonably relevant to the performance of the Work; and (ii) any of Customer's implemented or planned measures against such risks that Customer requires DNV GL's personnel to adhere to.
- 4.3 Whenever DNV GL's performance of the Work involves visits to or work on Customer controlled facilities or sites, Customer is responsible for the adequacy, stability, safety and legal compliance of the working environment, including reasonable measures to mitigate or control relevant risks. DNV GL or its personnel is entitled to refuse to carry out any activity, or visit any area or site, if DNV GL or its personnel in their sole discretion consider that relevant risks are unacceptable or not adequately addressed, contained or otherwise mitigated. Any such decision shall suspend both parties' obligations under the Contract without any liability or penalties until the parties have agreed on how to proceed.

5 Variations to the Work

- 5.1 Customer may in writing request DNV GL to perform a Variation. DNV GL shall not be obliged to execute any Variations until a written agreement with the Customer regarding the remuneration and the potential schedule impact of the Variation has been signed, which shall be an integral part of this Contract.

6 Re-performance

- 6.1 Any documented error or defect in the Work will be rectified by DNV GL within a reasonable period of time at DNV GL's sole cost, provided said error or defect is not attributable to Customer or Customer Group and DNV GL is duly notified of said errors or defects within twelve (12) months after

delivery or completion of the Work, whichever occurs first.

7 Taxes and Remuneration

- 7.1 Each party is solely responsible for paying any and all taxes, duties or similar government charges to the competent public authority wherever such charges are levied and/or imposed on the activities of the party. Any and all prices, fees, rates or remuneration are agreed as stated exclusive of any form of sales taxes, value added tax, goods and services tax and/or any other similar taxes including any surcharges levied thereon which may be applicable.
- 7.2 Customer shall effect payment as agreed in the Contract to DNV GL, or another legal entity within the DNV GL Group if specified as payee on the invoice, for the Work, including any Variations, to the bank account stated on the invoice within thirty (30) days of the date of the invoice. Work performed by DNV GL shall be invoiced in accordance with the tariffs of DNV GL or on the basis of the price quoted in the offer or in the Contract. In addition thereto, DNV GL will charge any extra expenses incurred in connection with the services rendered (e.g. travelling or other expenses and, where applicable, any value added/turnover tax). Customer accepts invoices sent by electronic means. Additional expenses which are incurred by DNV GL in connection with the performance of the Work, and for which DNV GL is not responsible, for instance, as a result of poor organisation on the part of the Customer or of repetition of tests and extra time spent, will be charged separately at the respective current cost rates.
- 7.3 In case of late payments, DNV GL is, in addition to the remedies set forth in Clause 2.6, entitled to charge a late payment interest according to the applicable law of this Contract, or 8% per annum pro rata, whichever is the higher.
- 7.4 All payments shall, subject to Clause 7.5, be made in cleared funds, without any deduction or set-off and free and clear of and without deduction for or on account of any taxes, levies, imports, duties, charges, fees and withholdings of any nature now or hereafter imposed by any governmental, fiscal or other authority save as required by law.
- 7.5 If and to the extent Customer has to withhold taxes or other government charges according to mandatory laws, Customer shall withhold and deduct such amounts from payments to DNV GL and pay the amount to the competent tax authority or any other relevant governmental body, as the case may be, within the time allowed and in the minimum amount required by law. Customer shall indemnify and hold DNV GL harmless from any and all financial responsibility or sums found to be due arising out of the non-payment, late-payment or payment to the non-competent tax authority or any relevant governmental body. Customer shall inform DNV GL about such withholding, any change in the rate or the basis of the withholding and the availability of any formal procedure resulting in an authorisation to make a payment without a withholding prior to making the payment. Customer and DNV GL shall co-operate in completing any procedural formalities necessary for the Customer to obtain authorisation to make payment without a withholding. Within ten days of making either the withholding or any payment required in connection with that withholding, the Customer shall deliver to DNV GL a withholding tax certificate, official receipt or evidence reasonably satisfactory to DNV GL that payment has been made to the competent tax authority or any other competent governmental body. Customer shall cooperate with DNV GL and shall use reasonable efforts, at no cost to DNV GL, in seeking any double tax treaty relief, other exemptions and refunds available following from such withholdings.
- 7.6 Section 7.1 to 7.5 shall apply accordingly in case an Affiliate

- provides the Work.
- 7.7 No disputes arising between DNV GL and the Customer shall interfere with prompt payment of invoices by the Customer. Any rights of lien or retention in favour of the Customer, statutory or otherwise, are hereby excluded. The Customer shall have no right to set-off any sums including sums in respect of counter-claims, unless such counter-claim is undisputed or has been finally adjudicated upon by the courts.
- 8 Confidentiality**
- 8.1 Each party as recipient agrees to keep confidential any information it receives from the other party as disclosing party in the course of the Contract which, by denotation or reasonable circumstances, is considered confidential to the disclosing party. The recipient shall treat such received information with reasonable care and diligence, not disseminating or disclosing it to third parties without the disclosing party's prior written consent, provided however that each party may share such information with its officers, employees, affiliates, subsidiaries, subcontractors, suppliers or professional advisors who are subject to confidentiality obligations reflecting the principles herein.
- 8.2 The obligations set forth in Clause 8.1 shall not apply to any information which: (i) is or becomes known to the recipient from a third party without any confidentiality obligation to the disclosing party; (ii) is or becomes generally available in the public domain through no act or failure to act on the part of the recipient; (iii) has demonstrably been developed by the recipient independently from this Contract; (iv) is requested to be disclosed by any competent court, governmental agency, flag state administration, other relevant public authority in accordance with applicable law, court order or other public regulation; (v) is disclosed to the registered owner and/or ultimate owning company of a vessel without changing the general nature of confidentiality of such information if such information is vessel-related or (vi) is required to be disclosed by the applicable stipulations of the International Association of Classification Societies (IACS).
- 8.3 Customer acknowledges that DNV GL is bound by an obligation to give the EU Commission or anyone acting on its behalf, access to information in accordance with applicable EU requirements, and that Customer shall give the EU Commission unrestricted access to ships for the purpose of inspection.
- 8.4 DNV GL Group shall have the right to use for statistical, analytical and internal training purposes, any material, information or know-how generated in the course of the Work.
- 8.5 The obligations in this section shall survive the completion of the Work or termination of this Contract and shall continue for as long as the relevant information remains confidential.
- 9 Assignment and Subcontracting**
- 9.1 This Contract, including any Deliverable issued as a result hereof, is specifically related to the Customer and no rights, obligations, interest, claim, benefit or Deliverable deriving here from shall extend to any other (third) party without the prior written consent of DNV GL. Customer is not entitled to grant to any third party any right of use in respect of any Deliverable without the prior written consent of DNV GL. The Contracts (Rights of Third Parties) Act 1999 shall not apply to this Contract.
- 9.2 DNV GL may at its discretion subcontract parts of or the whole of the Work to any other company within the DNV GL Group. The DNV GL Group shall have the benefit of, and shall be entitled to enforce against the Customer the rights, exclusions, limitations of liability and indemnities set out in the Contract.
- 9.3 DNV GL is only responsible for the Work it has performed directly or through its subcontractors.
- 10 Intellectual Property Rights**
- 10.1 For the purpose of this Contract, each party shall remain the sole owner of any of its intellectual property and rights thereto existing prior to the date of this Contract and, except as explicitly set out in this Contract, nothing herein shall imply any transfer or grant of rights to any such intellectual property or rights thereto.
- 10.2 Customer shall hold a restricted, global and royalty free license to use the Deliverables or the results of the Work for their agreed or ordinary purpose, including the right to use any valid certificates or similar documents in accordance with the applicable requirements.
- 10.3 Subject to the confidentiality obligations set out in Clause 8 above, all intellectual property rights in the information and data created in connection with this Contract shall vest in DNV GL. In particular, DNV GL shall hold the copyright to all certificates and similar documents issued under this Contract. Nothing herein shall be deemed to limit DNV GL Group rights according to Clause 8.4.
- 10.4 The Customer warrants that it holds all necessary rights to material and information submitted for the purpose of the Work. The Customer shall indemnify and hold harmless DNV GL from any Claim DNV GL might suffer or receive as a consequence of any infringement of third party rights.

- 11 Force Majeure**
- 11.1 Neither party shall be in breach of this Contract, nor liable for any failure or delay in performance hereunder if the cause of such failure or delay is attributable to events beyond the reasonable control of the affected party, including but not limited to armed conflict, terrorist attack, civil war, riots, toxic hazards, epidemics, natural disasters, extreme weather, fire, explosion, failure of utility service, labour disputes, breakdown of infrastructure, transport delays, or any public restrictions following any of the incidents above, or any other force majeure occurrence.
- 11.2 In the event of a force majeure occurrence, the affected party shall notify the other party without undue delay of the particulars of the situation and the estimated duration. Either party shall be entitled to terminate the Contract with immediate effect should the force majeure occurrence endure for more than thirty (30) days.
- 12 Indemnifications**
- 12.1 Each party shall indemnify and hold harmless the other party from and against all Claims arising while carrying out the Work in respect of: (i) bodily injury, sickness, disease, or death of any of its employees or other representatives; and (ii) loss of or damage to the party's property. This provision shall apply whether or not the Claim is caused or contributed to by the negligence of the other party. Both parties shall maintain insurances for such liabilities, cf. Clause 14, to make this knock-for-knock provision effective.
- 12.2 The Work including any advice and information provided by DNV GL to the Customer as a part of the Work, shall be for the Customer only. The Customer shall ensure that any other member of the Customer Group and/or any third party is aware that the Work is intended for the Customer only and it is understood and agreed that nothing expressed herein is intended or shall be construed to give any person, firm or corporation, other than the signatories hereto any right, remedy or claim hereunder or under any provisions herein contained. - 12.5 The Customer's obligations to indemnify DNV GL Group set out above in Clause 12.2, 12.3 and 12.4, shall apply in respect of any Claims regardless whether such Claims against DNV GL Group are based on breach of contract, direct action, breach of duty (statutory or otherwise), tort (including negligence), "information liability", strict liability or otherwise, except if and to the extent such Claims are caused by DNV GL's (i) act or omission with the intent to cause damage or injury; (ii) act or omission in gross disregard of a known or obvious risk which made it highly probable that harm would follow.
- 12.6 Each party shall notify the other party without undue delay upon becoming aware of any incident likely to give rise to a Claim against the other party in relation to this Contract.
- 12.7 The Customer agrees that any Claim with respect to the Work shall be brought solely against DNV GL, and the Customer shall indemnify and hold harmless DNV GL Group from any Claim brought against DNV GL Group by any other party as a consequence of the Customer's breach of this Clause 12.7.
